Name and address of employer

University of Medicine, Tirana

Type of activity

University

Date

1997-ongoing

Role or job position

Full time Lecturer, Department of Prosthodontics, Faculty of Dental Medicine, University of Medicine, Tirana

- Main lecturer of the course "Total dentures", in the program Master of Science in Dentistry (1997 onwards);
- Main lecturer of the course title "Total dentures and implant supported overdentures", cycle III (2001 onwards)
- Main lecturer of the course title: "Total removable dentures and implant supported overdentures" (2003 onwards),

Institution name

University of Medicine, Tirana

Type of activity

University

Date

1991-1997

Role or job position

Medical Doctor,

Type of activity

University Hospital Center (University Dental Clinic)

Date

April 2020 – ongoing

Role or job position

Chairwoman of the Ethics and Disciplinary Judgement Commission of the Order of Dentists of Albania

Type of activity

Order of Dentists of Albania

Date

2020 – ongoing

Role or job position

Invited Professor

- Berlin School of Health Sciences University, Germany (lecturing in English)
- Aldo Moro University, Bari, Italy (lecturing in Italian)
- University of Tetova (2018 onwards)

Date

2020 – ongoing

Role or job position

Chairwoman of the State examination for the regulated profession of dentist.

**ACADEMIC
QUALIFICATION/EDUCATION**

Date

June 2014

Qualification title achieved

Associate Professor (academic title)

*Name and the type of subject
which offered the education or
training*

Faculty of Medicine, University of Medicine, Tirana

Date

February 2009

Qualification title achieved

“Doctor of Science” Academic title

Main topics:

“Biofunctional Dentures”; Doctoral thesis

*Name and the type of subject
which offered the education or
training*

Faculty of Medicine, University of Medicine, Tirana

Date

2001-2002

Qualification title achieved

**Postgraduate studies, (Maximum grade),
Faculty of Medicine, University of Tirana**

Date

2001

Qualification title achieved

Master on Total dentures, Bari University, Italy

Date

June-october 2001

Qualification title achieved

Specialization “Fixed dentures, total and partial removable dentures», Bari University., Italy (INTERREG program)

Date

1986-1991

Qualification title achieved

Dentistry branch, “Medical Dentist”, Diploma “Excellent”, average mark 9.98

Date

1982-1986

Qualification title achieved

High School “Partizani”, Diploma **“Gold Medal” average mark 10**

SPECIALIZATIONS AND TRAININGS

- **February 1997**- Specialization on oral implantology, at the "International Institute of Implantology and Oral Rehabilitation, Linkow", by Prof. Francesco Mangini, Bari, Italy.
- **May 2000**- Training course at the School of Dental Technicians, Croatia.
- **June 2000** - Management Course for Societies, Association Board Capacity Training, Matty Thimm, Carrie Gruenloh; organized by USAID
- **June 2001**- Practical theoretical training course for Biofunctional Dentures and Facial Arch, UTS; by Herbert Frick and Dr.Janko Dobrin, ICDE, Split, Croatia.
- **April 2002** - Theoretical-practical training course for the SR-Ivocap System, by Herbert Frick and Dr.Janko Dobrin, ICDE, Slovenia.
- **March 2003** - Training course for Professional Disciplinary Trial, Dr. Keyvfan Zahir, HLSP Consulting; Order of the Doctor of Albania.
- **March 2003** - Intensive theoretical and practical training course by Dr. Manfred Sontheimer «TIOLOX IMPLANTS», Dentaurum, Tirana.
- **March 2004** - Training course, "Choice of anterior teeth in total denture" D. Tchn Maurizio Dimitri, Medycline, Tirana.
- **May 2004** - Theoretical-practical training course "Carmen CERAMICS", Doc. ZTM N. Idrizi, Inspringen Esprident, Dentaurum, Germany.
- **December 2006**- Theoretical and practical training course "Technique of anatomical stratification with Enamel plus HFO", Dr. A. Pastore, E. Giardino, Medycline- Stewart, Tirana.
- **February 2009**- Theoretical-practical training course for resin polymerization according to the method «Vertex» by Onno Blok, Vertex Dental Academy, Tirana.
- **April 2016**- Theoretical-practical training course "Lumineers & Snap on smile", Advantage Dental, Tirana.
- **September 2016** - Course for veneers by Prof. Marco Nicastro, Dental leader corsi
- **May 2021**- Course for Regenerative Medicine, Prof. Francesco Inchingolo, Prof. Ioannis Georgakopoulos, Dental Leader Corsi.
- **May 2021**- Course for veneers, PhD. Danimir Jevremovic, Opinion leader, Ivoclar vivadent.

EXTRA INFORMATION

March 2017- Winner of the 2-Year Project for the implementation of German technology in digital prosthodontics, with the University Center "Charite` Berlin", worth 50,000 euros. Initiator for the Title "Doctorate Honoris Causa" to Mrs. Iris Eberl, Member of the Bundestag, initiator of the Cooperation Project between Charite` and FDM.

March 2020- Initiator of the official connection between the Rutgers School of Dentistry, New Jersey, and FDM

November 2016- Initiator and promoter of university relations with the University Center "Charite` Berlin"

2016- Initiator and promoter of university relations with the University "ALDO MORO", Bari, Italy

2017- Initiator and promoter of university relations with the University "Gabriele d`Annunzio" Chieti-Pescara, and the Department of Dental Medicine, at this University

2017- Initiator and promoter of university relations with the University of IASI, Romania

- August 2017 – ongoing** - Coordinator and initiator of the Project with the Municipality of Tirana "Promotion of oral health and prophylaxis in 65 9-year schools in the district of Tirana", where over 2700 children were examined
- 2020 - ongoing** - Chairwoman of the National Commission for Ethics and Disciplinary Judgment of the Dentist Order
- November 2017** - Organizer and President of the First FDM Congress
- October 2018** - Organizer of the Second FDM Congress
- November 2019** - Organizer of the Third Dental Congress
- May 2019** - President of the 24th BaSS Congress (Balkan Stomatological Society)
- 2020-** Leader of the Accreditation Process of the Study Program "Master of Science in Dentistry" – Evaluated maximally with 6 years
- 2017-** Leader of Dental and of the Faculty of Dental Medicine of the Institutional Accreditation Process of the Medical University of Tirana, organized by ASCAL and QAA with foreign English experts - Evaluated with 5 years
- 2016 - ongoing** - Editor-in-Chief of the Albanian Dental Journal, scientific body of the Faculty of Dental Medicine, ISSN 2308-5290
- 2016 –ongoing** - Member of the Editorial Board of "ALBANIAN JOURNAL OF MEDICAL AND HEALTH SCIENCES", Scientific Body of UMT, ISSN 2304-2354
- 2017 –ongoing** - Part of the Scientific Board of the "Balkan Journal of Dental Medicine", Scientific Body of the Balkan Stomatological Society, BaSS, ISSN 2335-0245
- 2010-ongoing** - Expert at the National Center of Accreditation, for the evaluation of quality in many scientific activities of continuing education, National scientific congresses and conferences with international participation.
- 2013- ongoing** - External expert at ASCAL, part of the quality assessment in Higher Education Institutions in several Universities
- 2018 - ongoing** - Invited professor at the University of Tetova, Macedonia
- 2020 - ongoing** - Invited professor at Aldo Moro University, Bari, Italy
- 2014- Author of the textbook for 5th year students, "Biofunctional Prostheses and Biofunctional Prosthetic System in Albania", ISBN 978-9928-4157-8-3**
- 2013- Co-author of the textbook for 4th year students, "Gnatology and Temporo mandibular Articulation Disorders, Their Diagnosis and Treatment", ISBN 978-9928-4146-1-8**
- 2015 - ongoing-** Member of the Scientific Board of the Dental Journal APOLONIA, Tetovo
- 2017 - ongoing-** Member of the Scientific Board of the Balkan Dental Journal
- 2019 - ongoing** - Reviewer in "Asian Journal of research in Infectious diseases" Journal
- 2019 - ongoing-** Reviewer in "Journal of Pharmaceutical Research International" Journal
- 2018 - ongoing-** Reviewer in "Journal of Advances in Medical and Pharmaceutical Sciences" Journal
- 2019 - ongoing-** Reviewer in "Journal of Anesthesia, Intensive Care, Emergency and Pain Medicine
- 2019 - ongoing-** Reviewer in "Materials Science" Journal

2021 - ongoing- Reviewer in "Archives of Clinical Case Reports"

2021 - ongoing- Reviewer in "Dentistry Journal", Dent. J. EISSN 2304-6767

2021 - ongoing- Reviewer in "Healthcare Journal", EISSN 2227-9032

2021 - ongoing- Reviewer in "Symmetry" Journal, ISSN 2073-8994

Member of:

1991- Member of the Order of Doctors of Albania

1994- Member of the Association of Dentists of Albania

1998- Member of BaSS (Balkan Dental Society)

2009- Member of the Association of Prosthodontics of Albania

2010- Member of the Presidency of the Balkan Dental Society BaSS (Deputy councilor)

2007-2011 - Member of the Disciplinary Judicial Council of the Doctor's Order.

2009- 2015- Member of the Judgement Council of the Order of the Doctor of the district of Tirana.

2012- 2016, 2021 onwards - Member of the examination commission to obtain the Professional licenses for Dentistry as well as drafting the questions for this exam.

2020 onwards - CHAIRMAN of the License Examination Commission for the profession of Dentistry

2016 Vice President of the Association of Prosthodontics of Albania

2016 onwards - Member of the European Association of Prosthodontics (EPA)

2020 onwards, CHAIRMAN OF THE NATIONAL COMMISSION OF ETHICS AND DISCIPLINARY JUDGMENT OF THE DENTIST ORDER

Supervisor of the following doctoral theses:

- 1- Candidiasis and prosthetic stomatitis in prosthetic patients with removable prostheses.
- 2- Impression materials used in fixed and removable restorations.
- 3- Preparation of teeth in metal-ceramic restorations and clinical evaluation of the closing line.
- 4- Injuries caused by partial and total removable prostheses.
- 5- The use of resin for the base of removable prostheses, the comparison of their laboratory preparation methods.
- 6- Apparatus that mimics the movements of ATMs, articulators and occludator, construction of prosthetic restorations in these appliances.
- 7- The construction in the dentures of the palatal postdam.
- 8- Selection of artificial anterior teeth in removable dentures

- 9- Use of prefabricated or cast screws in the reinforcement of endodontically treated teeth.
- 10- Principles of preparation and construction of fixed restorations
- 11- Comparison of polymerization methods of resin in removable prostheses
- 12- Palatine and mandibular toruses, their orthopedic management
- 13- Use of telescopic crowns in removable prostheses
- 14- Dental veneers as mini-invasive restorations
- 15- Determination of distal tooth parameters in total dentures
- 16- Elastic prostheses with valplast
- 17- Vertex system compared to the usual polymerization system
- 18 -Digital systems for the construction of partial dentures, etc.

OPPONENCE

- 1- Opposition of the Dissertation of Dr. Gerta Kacani, April 2016
- 2- Opposition of the Dissertation of Dr. Sidrit Beqiraj, December 2015
- 3- Opposition of the Dissertation of Dr. Emin Kuzumi, December 2015
- 4- Opposition of the Dissertation of Dr. Ilma Robo, April 2021
- 5- Opposition of the Dissertation of Dr. Rozafa Dragusha, June 2021

OTHER

October 2017 - President of the First FDM Congress, with international participation

November 2018- Organizer of the Second FMD Congress, with international participation

May 2019- President of the 24th Congress of the Balkan Dental Society (BaSS)

November 2019- Organizer of the Third Congress of Dentistry with international participation

May - June 2021- Organizer of Webinars with international lecturers for Dentists
